

3rd Annual Sauk-Prairie Ambulance Association

May 1st, 2019 • 4pm to 8pm
Lake Wisconsin Country Club
N1076 Golf Road • Prairie Du Sac, WI 53578

Please join Sauk Prairie Ambulance as we celebrate our 50th birthday. Our goal this year is to raise funds toward the purchase of a LUCAS device for each ambulance. A LUCAS device is a mechanical chest compression device that helps our life-saving team deliver high quality, consistent chest compressions to sudden cardiac arrest patients in the field. The Sauk Prairie Ambulance Association response area covers 196 sq/mi with a population of just over 14,800 residents. This area includes all or parts of the Villages of Prairie du Sac, Sauk City and Merrimac, the Towns of Honey Creek, Merrimac, Prairie du Sac, Roxbury, Sumpter, Troy and West Point. Last year our service responded to over 1,500 calls for service.
